20th July 2020

Thank you so much for your generous donations which have been particularly appreciated during these difficult times.

Saffron Walden Town Council has kindly donated nearly 185kg of food and toiletries. This will all go towards helping local individuals and families in crisis.

Since the outbreak of Covid 19, the Foodbank has been exceptionally busy. During April 2020 we provided food parcels to 400 people during times of real need. This was four times the number compared to April 2019. Since April, this number has declined but remains more than twice the number of people receiving food parcels compared to 2019. The increase in clients has meant that approximately 4 tonnes of food is given out monthly to families and individuals compared to 1.5 tonnes per month in 2019 so you can see how vital these donations are for us in order to boost our supplies

Given the present circumstances, we anticipate the number of people requiring the foodbank services will unfortunately not decline for the remainder of 2020

Once again, thank you very much from everyone at Uttlesford Foodbank it is very much appreciated particularly during such unusual times.

Best wishes,

A handwritten signature in black ink that reads "Stephanie Maxwell".
