- Smallest warded parish is at 7 - Elmdon & Wenden Loft - could upward, but 3 distinct areas?
- Largest warded parish is Great Dunmow at 18 members over 2 x quorate at meetings is 3
- Smallest parish is 5 members (x2) - Little Bardfield PC and White Roothing PC - 5 is the lowest you would go to - quorate at meetings is 3
- Two areas with no Parish Council (PC) are bigger than some areas with a PC i.e. Wicken Bonhunt and Lindseil parishes - do they want to have a Parish Council? - what facilities have they got? Do they want to raise a precept?
