TERMS OF REFERENCE AND SCHEME OF DELEGATED POWERS

DELEGATED POWERS

Members will be advised by the Town Clerk whether or not a particular item under discussion is within the Committee (or Sub-Committee's) delegated powers. The minutes will then record the decision as "RESOLVED. If it is not, then the minutes will show the decision as "RECOMMENDED", and will then be brought to the Council's particular attention by the Chairman of the Committee at the next meeting of the Full Council when seeking approval and adoption of the Committee's minutes.

In any case where a Committee (or Sub Committee) Chairman and Vice Chairman are either unsure whether or not any matter falls within delegated powers, or whether or not any matter should be determined by them, they should refer that matter to the next highest level of decision. A power delegated does not always have to be exercised.

PUBLIC AND PRESS

Under Section 1(2) of the Public Bodies (Admission to Meetings Act 1960) the Council, Committee or Sub-committee may exclude the public or press from the meeting. A motion must be passed at the meeting to that effect. Exclusion of the public and press must be minuted but it does not have to be on the Agenda.

The exclusion of public and press should be used prudently and the Council must be clear on the reasons for doing so.

The press and public may be excluded for the following, but not the only, reasons:

1. To discuss terms and condition of employment, or to discuss the conduct and dismissal of a member of staff.
2. Terms and proposals and counter proposals in negotiating contracts.
3. Preparation in legal proceedings.
4. The early stages of a dispute.
5. The early stages of agreeing tender/quotation details.
6. The approval of tender/quotation details.

Public and Press should not be excluded from a meeting simply because the subject matter may be embarrassing for the Council.
