Summary

UDC’s district wide car parking review public consultation is live until 5pm 12th June 2022 which can be found here <https://letstalk.uttlesford.gov.uk/parking-review> .

SWTC have been asked to make comment on the consultation and send any information we might have such as, local studies, consultations, or minutes of meetings on parking issues in the local area.

Recommendation

Committee should collate a SWTC response including the following factors and any others committee might suggest in response to the consultation:

- Museum Street and Castle Street, visitor and resident parking – September 2020 P&T minutes
- Debden Road, residents parking – July 2021 P&T minutes
- Common Hill West, residents parking – August 2021 P&T minutes
- Hill Street, residents parking – September 2021 P&T minutes
- Hill Street, cars parked blocks the road and stops delivery lorries driving through
- Market Street / Hill Street, cars parked on Hill Street can make it difficult to turn out of Market Street
- George Street, short stay parking – April 2022 P&T minutes
- Swan Meadow car park – issues with the new pay and display machines not accepting cards.
- Town Centre road closure consultation, responses, reports and minutes – phases one and two (2021/2022).

Committee is also asked to share these details with residents and remind them to make their own individual responses.
