

Report for Saffron Walden Town Council ATM Uttlesford Foodbank

The trustees and staff of Uttlesford Foodbank wish to express their deep appreciation of the contribution made by volunteers, staff, donors and supporters, without which no achievements would have been possible.

The Trustees are confident that, by their stewardship and management of charitable funds, Uttlesford Foodbank continues to meet the requirements around public benefit as defined by the Charity Commission. Interested parties are invited to contact us for a detailed account of the way in the charity meets these objectives by requesting our policy document.

Objective, Purposes and Activities

Uttlesford Foodbank's aim is to relieve persons in Uttlesford and the surrounding area that are in financial hardship in such ways as the trustees from time to time think fit, in particular, but not exclusively by:

- providing emergency food, essential toiletries, and household items to individuals and families in need and/or for distribution by charities or other organisations working to prevent or relieve poverty.
- such other means, including (but not limited to) the provision of support or signposting to relevant information and other advisory services.

We achieve this by distributing parcels containing food and other essentials to last, on average, seven days.

During the COVID-19 pandemic the Trustees voted to allow disbursement of funds to those in crisis, when those funds have been directly granted to us for such purposes as it was felt we were best placed to identify and work with those individuals in need.
