8	<p>Uttlesford Rangers</p> <p>For information, Uttlesford District Council previously advised Essex County Council has withdrawn its funding from for the Highway Ranger Service. Parish and Town Councils were then asked whether they could provide a financial contribution to the service. At its Full Council meeting in December 2022, SWTC considered this request and the response is minuted in Min Ref FC 184-22:</p> <p><i>“Council considered the request from UDC regarding possible funding towards the Highway Rangers roles (currently funded by Essex County Council (ECC)), and the request for town and parish councils to contribute towards future employment and overheads charges in order for this service to continue. Due to budget constraints, ECC had chosen to cease this service from April 2023 and town and parish councils were being asked to collectively fund the posts for the service to continue.</i></p> <p><i>Council duly considered this request, agreeing it was not the remit of SWTC to pick up a responsibility which ECC did not wish to continue funding. The response to UDC was to note the posts and responsibilities should not fall to town or parish councils simply as one other council (in this instance ECC) did not wish to continue with funding. Queries were raised regarding ECC’s statutory responsibility to clear and maintain the highways and grass verges and that ECC should precept accordingly to ensure it meets its obligatory and statutory duties. It was therefore unanimously agreed not to offer funding towards the continuance of the Highway Rangers posts and that ECC should continue funding this service and meet its statutory duty of clearing and maintaining its own assets and property”</i></p> <p>Uttlesford District Council has confirmed that insufficient numbers of town and parish councils wished to contribute to the continuance of this service. The Uttlesford Ranger service therefore will come to an end on or around the 1st April 2023. Work which was previously reported to the rangers for rectifying should now be reported directly to ECC.</p>

Council noted the budget would therefore be further presented to the January 2023 Full Council meeting, once the Band D figures were confirmed by UDC.”</i> <p>The final Band D figures have been received and this is detailed in the attached reports (9a – 9c). Council is therefore asked to approve the final budget as presented, the only amendment being confirmation of the final Band D figure.</p>
10	<p>Model Code of Conduct</p> <p>Uttlesford District Council has adopted a revised model code of conduct, details as attached. The new code is very similar to the previous but is considered easier to read and understand being written in the first person.</p> <p>Council is asked therefore whether to adopt the new model code of conduct, along with discrete SWTC amendments as required (i.e., as carried forward from the Town Council’s current code of conduct). Attached for reference is SWTC’s current code of conduct which is due for review in April 2023.</p>
