### CONSULTATION ON NAMING NEW DEVELOPMENT

**Site Location:** Land South Of Radwinter Road Radwinter Road Saffron Walden Essex

**Development:** 72 DWELLINGS

I am now putting in hand the naming of the new street on the above mentioned site and write to inform you that the developer; has suggested the following:

**Byrd Gardens** - Gordon Percival Septimus Jacob was a composer who lived his later life in Saffron Walden. Gordon's list of work exceeds more than 700 and in 1968 he was appointed CBE. Byrd is a reference to Gordons first successful work during his student years "William Byrd Suit

**Ferry Gardens**- Edward Bawden lived his later life in Saffron Walden, Edward was a painter known for his contributions as a war artist during World War II along with prints, book covers, posters, and garden metal furniture. Edward was honoured with a CBE and taught the Royal College of Art. "Ferry Across the River" is one of his most recognisable pieces of art, highlighted most recently at London Underground station Tottenham Hale.

I would be grateful if you would comment on the proposed name for the street in writing by 22nd November 2022

Yours faithfully

**Dean Hermitage**  
**Director Planning**
