

## GRANT MONITORING FORM FOR LOCAL PROJECTS

<b>Section 1 – About the Applicant</b>	
<b>1</b>	<b>Name of Applicant/Organisation</b> 1 <sup>st</sup> Thaxted-Carver Scout Group
<b>2</b>	<p><b>Applicant contact name, address, email and telephone*</b></p> <p>1<sup>st</sup> Thaxted-Carver Scout Group,                      9 Rowney Avenue                      Elder Street                      Wimbish                      CB10 2YB</p> <p><small>*Please note that this information will be published in the public domain unless we receive express instructions to the contrary.</small></p>
<b>3</b>	<p><b>What was your grant for and how much was awarded from the Town Council?</b></p> <p>£378 and was for climbing wall helmets</p>
<b>4</b>	<p><b>Objectives</b>  <b>Tell us what the core objectives of your grant were and did you meet them?</b>  <b>(please make reference to the information as contained within box 13 of your original grant application)</b></p> <p>Many of the children from service families who attend our group struggle whilst their parents are deployed both in the UK and abroad. We know that our fun, confidence-building activities and our friendship opportunities are of real benefit and offer some relief. The group can be particularly useful when new families arrive at Carver Barracks and must start their new school helping them to integrate with their new environment and evolve new friendships.</p> <p>The grant has enabled us to bring many of sections together and try some rock wall climbing on an outdoor wall. The Beavers at both Thaxted and Carver were able to have a joint camp and one of the activities were rock wall climbing. They all thoroughly enjoyed it and some even conquered their fear and tried it, getting halfway or more. The helmets purchased are now part of our growing adventurous equipment and there are many more things we would like to raise funds for. However, for now we have already got planned many more climbing opportunities to continue and bring our group and the community together using the climbing wall.</p>
<b>5</b>	<p><b>Would your activity or event have continued if you did not receive the Town Council's funding?</b></p> <p>Yes <input type="checkbox"/>                      No <input checked="" type="checkbox"/></p>

6	<p><b>How many people attended the event or activity? (where possible, please break this down into children under 12, young people, adults)</b></p> <p>So far around 30 young people. Though many more is planned as mentioned previously.</p>
7	<p><b>Would you consider your event to be a success and what would you change for any future event or activity?</b></p> <p>We would most defiantly consider it to be a success and one that can continue to change and affect many more young people. If we could change anything, then it would be the ability to purchase a few more climbing helmets in different sizes.</p>
8	<p><b>Please provide evidence and details of promotional material and press releases of your event, including evidence of the Town Council's support (where possible, please include copies of press and social media releases)</b></p> <p>Here are some pictures taken of the new helmets and couple of our Beavers reaching for the stars! If Saffron Walden Town Council would like us to include the town council logo onto the helmets, then we would of course be happy to investigate this. Though we would need an image that we could use with your permission (Please send this to me via email <a href="mailto:josh.hume@thaxtedscouts.org.uk">josh.hume@thaxtedscouts.org.uk</a>)</p> <div style="display: flex; justify-content: space-around;">   </div>
