Technical information about this website's accessibility

This website is partially compliant with [the Web Content Accessibility Guidelines version 2.1 AA](#) standard, due to the non-compliances listed below.

Many of our older PDFs do not meet accessibility standards. For example, they may not be structured so they are accessible to a screen reader. This does not meet WCAG 2.1 success criterion 4.1.2.

From September 2020 any new documents loaded onto the website will include the following: Alternative text to be provided with visuals; meaningful hyperlink text added; colour not used to convey information; sufficient contrast is used for text and background colours; built in headings and styles are used; table structures to be simple with column header information.

The accessibility regulations do not require us to fix PDFs or other documents published before 23rd September 2018 if they are not essential to providing our services. For example, we do not plan to fix copies of minutes.

What we're doing to improve accessibility

- Regularly monitoring the accessibility of our website
- Making our PDF documents as accessible as possible
- Continue to work to resolve all identified accessibility issues which are within our control and will release them to the website as soon as they are completed.

Saffron Walden Town Council is committed to making its website accessible, in accordance with the Public Sector Bodies (Websites and Mobile Applications) (No. 2) Accessibility Regulations 2018. This website is partially compliant with the Web Content Accessibility Guidelines Version 2.1 AA standard.

This statement was prepared on 1st July 2022.
