

<b>Committee</b>	Planning and Transport
<b>Month</b>	March 2024
<b>Report Title</b>	ECC - EV Charge Point Locations
<b>Report Author</b>	Georgia Arnold Deputy Town Clerk

## Summary

## Agenda item: 6

Essex County Council (ECC) is hosting a consultation with town and parish councils to identify potential EV charging points.

The consultation can be found here <https://consultations.essex.gov.uk/sustainable-travel-planning-team/18a76e64/> closing 31 March 2024.

The questions are listed below with suggested responses:

*Please provide suitable locations that would benefit residents without off-street parking?*

Saffron Walden:  
Knight Park retail park  
Station Street  
Leverett Way  
Homebase car park  
Lime Avenue  
Mortimer Gate

*Please provide details about areas owned or leased by parish's such as car parks/village halls. If leased, please can you state this. We would need permission from the landowner to install charging infrastructure. If you think this could be challenging, are you able to tell us why?*

Owned by Uttlesford District Council  
Saffron Walden:  
Swan Meadow  
Catons Lane Car Park (managed by UDC)

Owned by Saffron Walden Town Council:  
Golden Acre Community Centre  
Lime Avenue Playing Fields car park.

*Please provide locations of any parish/community/village halls that have solar panels or are likely to in the future.*

Golden Acre Community Centre, Saffron Walden – owned by Saffron Walden Town Council

## Recommendation

To respond to the consultation, identifying the locations listed above.
