Let us know your views on crime and community safety

Are you concerned about crime in your area? Have you been a victim of crime or anti-social behaviour? Are there places in the district where you don't feel safe? Are you confident that when you report a crime it will be tackled?

Uttlesford District Council has launched a survey to gain the views and concerns of residents and businesses on crime and community safety in the district.

The feedback gathered from the survey will be used alongside the other statistics to help the Uttlesford Community Safety Partnership set its priorities and focus its resources for the future on the things that matter most to the community.

The survey is open until Friday 29 November.

To take part, visit www.uttlesford.gov.uk/community-safety-in-uttlesford-survey.

If you would like a printed copy of the survey sent to you, call the council's Customer Service Centre on 01799 510510.
