Resolved: To not award the application at this present time, acknowledging the group has considerable sums (£20k) held in reserves. Should the group require monies toward the end of the financial year they would be welcome to re-apply, providing updated figures on their projected year end costs.
F & E 120-26	Grant Application - The Nutritious Way - £492 Committee discussed and considered the grant application seeking monetary support for The Nutritious Way, to host pilot sessions at Jubilee Hub. Resolved: To not award the application – this is due to the commercial make up of the organisation and typically SWTC supports community-based activities. Officers to send details of UDC Economic Development Team (for potential funding) and of UCAN (for potential partnership working with NHS bodies) to the applicant.
F & E 121-26	Grants Processes Committee discussed and considered the proposed changes to the grants processes for Large Grants and Free of Charge Venue Hire as detailed within the written report. For Large Grants, it was Resolved: (a) To amend current practices where funding for some organisations had historically been a core part of SWTC budget and instead to provide a sum of £20k (to be confirmed and subject to 2027/28 budget) for larger grants. Committee agreed that establishing a process with open opportunity for all organisations was a fairer and more transparent means of supporting local community groups. (b) In progressing this revised methodology, it was further agreed that Officers would present a draft, revised application process for large grants to a future F&E meeting, having due regard to: • Defining funding criteria • That applications must support SWTC's core objectives • Projects must directly serve SW residents • Funds may be awarded over 3-years • There must be a demonstrable local impact in SW because of the service

- No maximum grant limit to be set, but noting the total funding is £20k
- That funding could be used to offset free of charge spaces offered for the activity, ie spaces funded by SWTC
- Likely funding stream opening early January 2027, closing end February 2027.

For Free of Charge Hire and Small Grants Scheme, it was **Resolved**:

- (a) To offer free of charge hire to the following organisations on a standing-basis and until such time as Council may determine otherwise.

Organisation	Event	Typical awarding amount
Saffron Walden Round Table	Carnival Weekend 3 yearly Easter Egg Hunt – Annually Fireworks – Annually	FOC Common Hire – IRO £4k FOC BEG Hire- IRO £3k FOC Hire Common – IRO £600 (+ utilities paid by SWTC)
Saffron Walden Initiative	Dance in the Square – Annually	FOC Hire Town Hall – IRO £910
Saffron Walden Arts Trust	Fete de la Musique – 3 yearly	£1,700 FOC hire (Town Hall, Band Stand etc)

- (b) That the Town Council would offer the above on a free of charge basis to those organisations shown, provided:

- The organisations enter into an agreement (similar to that already held with Saffron Hall and Saffron Screen), regarding free of charge hire.
- The organisations are required to acknowledge SWTC's financial support in marketing and promotional material.
- The venue hire is free of charge and in a similar vein to existing agreements of this nature, SWTC reserves the right to charge for any incidental or staffing costs incurred in addition to the FOC hire
- Venues must be booked in advance and subject to availability

- (c) For other free of charge venue hires and small grants, existing practices should continue with applications being made to the Committee for individual determination. Committee acknowledged this process works well providing 12-months continuous opportunity for small grants and recording of free of charge hire and support awarded throughout the year.
